

The Kansas Republican Party Transparency Resolution

Whereas, The Kansas Republican Party welcomes all Kansans and candidates and encourages them to rally in support of the Republican Platform.

Whereas, The Kansas Republican Party Platform is a tool for use by Kansans to evaluate candidate's positions on the issues the Kansas Republican Party Delegation deems important to the welfare of Kansans.

Whereas, It is customary for candidates running for public office to be surveyed by numerous organizations and those should include the KSGOP.

Whereas, The Kansas Republican Party Platform Committee spends much time and effort to develop the Platform that is then approved by the Kansas Republican Party elected Delegation.

Whereas, Kansans who support the Republican Party Platform have a right to know how their candidates identify themselves as Republicans.

Be It Resolved, The Kansas Republican Party will survey Republican candidates running for state office on their views concerning the Kansas Republican Platform positions.

Be It Further Resolved, The survey will be developed by the Republican Party Platform Committee, and for the convenience of the voters, the completed surveys will be posted on the Kansas Republican Party website.
