COUNCIL DECISION

NOTICE OF REMOVAL OF REQUIREMENTS OF SPECIFIC REMEDIAL ACTIONS

Ave Maria School of Law

February 2018

Background

At its February 9-10, 2018 meeting, the Council of the Section of Legal Education and Admissions to the Bar (the "Council") considered the Decision and Recommendation adopted by the Accreditation Committee (the "Committee") at its meeting on December 7-8, 2017, with respect to the recommendation of the Committee that Law School has demonstrated compliance with Standard 501(b) and that Council remove the requirements of the specific remedial actions imposed on Ave Maria School of Law at the Council's June 3-4, 2016 meeting. The Council had previously concluded, at its March 10-11, 2017 meeting, that the Law School had demonstrated compliance with Standard 501(a).

Following consideration of the record in the matter, the Council adopted the Committee's findings of fact as supported by substantial evidence in the record and uncontested by the Law School. The Council affirmed the Committee's conclusions and removed the requirements of the specific remedial actions imposed on the Law School. Ave Maria School of Law remains an approved law school.
