Mr. Stanley,

We are in receipt of your letter responding to the reporting obligations of Per Aspera Policy, Inc.

After further review of the communications of which we are aware, it appears that no express advocacy, as currently interpreted by our Commission based upon Kansas statute, occurred in the space of those advertisements. As a result, you have no obligation to register as a PAC or report donors and expenditures and may disregard our December 30, 2019 letter.

If you have any further questions, don't hesitate to let us know.

Sincerely,

A handwritten signature in blue ink, appearing to read "MS", is written over the word "Sincerely,".
