Re: Coalition for Ending Additional Unemployment Insurance Federal Benefits

Dear Governor Kelly,

Auburn-Washburn USD 437 has not and will not take a position on additional unemployment insurance Federal benefits. The Board of Education President and the Superintendent of Schools are the official spokespersons for the school district and neither have taken a position on this topic or given authority to others to take a position on behalf of the school district.

Furthermore, a formal request will be sent to the Kansas State Council of SHRM asking that Auburn-Washburn USD 437 be removed from a letter sent to the Governor's Office on May 18, 2021.

Best Regards,

Tom Bruno
Board of Education President

Dr. Scott McWilliams
