718 Thompson Lane, Suite 108415
Nashville, TN 37204

Dear Mr. Swisher:

After months of interviews and collecting data the TRA Board has voted unanimously both to recommend revoking your existing membership and to recommend that any application for future membership be denied. The well documented pattern and history of your not honoring your contractual business agreements has brought us to the determination you have exhibited an ongoing lack of integrity. TRA's General Counsel has reviewed the documentation to ensure we have met the legal requirements of the bylaws.

Please consider this your official notice pursuant to SECTION 13.06 (a) (6) of the Tennessee Republican Assembly Bylaws that the TRA Board of Directors will meet for the purpose of voting to have you officially removed from membership.

Sincerely

Sharon Ford, President

Robert Qualls, 2nd Vice Chair

Kathy McCall, Treasurer

Charlene Damron, National Committeeman

C: James Keeton, 1st Vice Chair
Kristen Topping, Recording Secretary
Sharron Angle, President NFRA
