COMES NOW Plaintiff, Calvin Hayden, Sheriff of Johnson County, Kansas, pursuant to K.S.A. §§60-902, 60-903 and 60-905, and hereby moves the Court for a temporary restraining order, temporary injunction and permanent injunction against Leonid Khayet, as follows.

I. Parties, Jurisdiction and Venue

1. Plaintiff Calvin Hayden is the duly elected Sheriff of Johnson County, Kansas.
2. Defendant Leonid Khayet is a resident of Johnson County, Kansas residing at 14150 Russell Street, No. 2707, Overland Park, Kansas, 66223.
3. The acts described herein and the conduct of the parties occurred in Johnson County, Kansas subjecting the parties to jurisdiction and venue in this Court. Further, the Court has subject matter jurisdiction for the reasons described hereinafter.

II. Facts Common to All Counts

4. The Sheriff incorporates the allegations contained in Paragraphs 1 through 3 hereinabove, as if specifically set forth herein.
5. Defendant Leonid Khayet is engaging in an incessant pattern and practice of making hundreds of argumentative, harassing and abusive telephone calls to the Sheriff's deputies

Clerk of the District Court, Johnson County Kansas

and employees.

6. All, if not almost all, of these contacts are believed to be related to Mr. Khayet's:
 - a. attempts to have deputies or the City of Overland Park's police department investigate potential crimes by Nebraska Data Centers, LLC or related persons¹;
 - b. complaints about deputies, the City's police department, or other agencies failing to investigate potential crimes by Nebraska Data Centers, LLC or related persons;
 - c. complaints to other deputies or employees not addressing these complaints;
 - d. complaints, arguments or questions about how to comply with a temporary restraining order entered in *City of Overland Park v. Khayet*, Jo. Co. D. Ct. 22CV03824 or an administrative order, Johnson County District Court Administrative Order 22-03.
 - e. complaints, arguments or questions about how to comply with an October 28, 2022, demand letter from counsel for the Sheriff, directing him to limit his contact with Sheriff's deputies and employees.

7. Deputies and other Sheriff's employees have already discussed, or reviewed and addressed, a considerable number of complaints and questions by Mr. Khayet about these topics, yet Khayet continues his pattern of incessant calls and emails.

A. Khayet's Phone Calls from September 2, 2022 through December 31, 2022

8. From September 1, 2022 through December 31, 2022 at 10:51 a.m., Mr. Khayet called the Sheriff's Office over 503 times from his (913) 660-5766 telephone number, as follows:

323 calls to the Communications Division emergency and non-emergency numbers;²

138 calls to the Court Security Division main number;

31 calls to a Detention Division Central Booking number;

11 calls to a Warrants Division number.

503 calls

Exhibit A, *Affidavit of Sgt. Castle*; Exh. A-1, *Castle Report – Communications*; Exhibit B, *Affidavit of Sgt. Noftsgger*; Exh. B-1, *Noftsgger Report 9/1/22-10/24/22*; Exh. B-2, *Noftsgger Report 10/25/22-11/30/22*; Exh. B-3, *Noftsgger Report 12/1/22-12/31/22*.

9. These 503 calls were only to five numbers and do not include specific officers within those divisions or calls to other divisions such as Records, Investigations or Training.

10. In none of these calls, has Mr. Khayet identified a legitimate emergency, a crime in progress or other subjects beyond:

- a. his contacts or attempts to have deputies or the City of Overland Park's police department investigate potential crimes by Nebraska Data Centers, LLC or related persons³;
- b. complaints about deputies, the City's police department, or other agencies failing to investigate potential crimes by Nebraska Data Centers, LLC or related persons;
- c. complaints to other deputies or employees not addressing these complaints;
- d. complaints, arguments or questions about how to comply with a temporary restraining order entered in *City of Overland Park v. Khayet*, Jo. Co. D. Ct.

{00372481}

22CV03824 or an administrative order, Johnson County District Court Administrative Order 22-03.

- e. complaints, arguments or questions about how to comply with an October 28, 2022, demand letter from counsel for the Sheriff, directing him to limit his contact with Sheriff's deputies and employees.

11. Rather, the nature of Mr. Khayet's calls are as follows:

- a. On September 8, 2022, at 5:25 p.m., Khayet called dispatchers repeatedly, Khayet told the dispatchers that they are refusing to "define an emergency." Khayet continued to state that there "is an unforeseen set of circumstances" and that, "the Overland Park Police Department is defrauding the situation."
- b. On September 14, 2022, at 7:54 p.m., Khayet called dispatchers to report that District Attorney Stephen Howe "is interfering with directions that I received from the FBI and the Kansas Attorney General's Office."
- c. On October 8, 2022, at 10:53 a.m., Khayet called dispatchers to demand contact information for Lt. Fretz, but refused to provide his name to the Dispatcher.
- d. On October 12, 2022, at 2:08 a.m., Khayet called dispatchers about Lt. Fretz again, reporting that he had been "obstructing justice, and that's on file with state agencies."
- e. On October 15, 2022, at 1:18 p.m., Khayet called dispatchers, stating that "the biggest impediment to the administration of justice presently, in Johnson County, is your Sheriff's Office."
- f. On October 15, 2022, at 2:12 p.m., Khayet called dispatchers again, stating that he has "concerns about Deputy Cervantes' mental judgment", and "has reason to believe he may not be of sound mind."
- g. On November 5, 2022, at 5:29 a.m., Khayet called dispatchers, and stated that "the fact that you guys have continued to refer my calls to Mr. Ridgway, even though I have been consistently telling you guys not to, for several months, is, what appears to me, to have created this aspect of the emergency."

{00372481}

- h. On November 7, 2022, at 2:21 a.m., Khayet called dispatchers, and stated that “I do have an emergency, your legal counsel has created an emergency for all of Johnson County.”
- i. On November 19, 2022, at 11:57 p.m., Khayet called dispatchers, and stated that “Your command staff, the general consensus in your command staff, is that they’re screwing with me for the past three months.”
- j. On November 26, 2022, at 5:40 a.m., Khayet called dispatchers, and stated that Sgt. Garcia, in refusing to call him back, “risked irreparable damages possibly to the interest of the United States.”
- k. On December 14, 2022, at 7:35 p.m., Khayet called dispatchers, and in response to the question of whether he needed police, fire, or medical services, only responded “Are you out of your mind?”
- l. On December 14, 2022, at 7:44 p.m., Khayet called dispatchers, who asked Khayet how many times he believed he called the Johnson County Sheriff’s Office dispatch, to which Khayet replies “It’s probably several hundred times.”
- m. On December 31, 2022, at 4:15 p.m., Khayet called dispatchers again, and requested that someone at the Sheriff’s Office “start connecting the dots here.”

B. Effect of Khayet’s Calls – Communications Division

12. The Sheriff’s Communications Division has a total of 10 emergency and non-emergency telephone lines that are required to be answered by Communications deputies, or call takers. Depending upon the time of day and day of the week, there are 2 or 3 call takers to answer these lines at any given time.

13. These call-takers must also answer emergency phone calls for 12 other municipalities including De Soto, Gardner, Edgerton, Fairway, Lake Quivira, Olathe, Park Police, Merriam, Mission, Roeland Park, Spring Hill and Westwood.

14. In addition, these call-takers also assist other Communications officers who contact or answer radio communications with deputies and city officers in the field.

{00372481}

15. The Communications Division is currently short-staffed by 3 officers. There are a total of 35 Communications officer positions (currently down to 32 actual officers) who rotate between answering the 911 and non-emergency phone lines, radio communications and assisting radio communications.

16. Because of Mr. Khayet's incessant telephone calls to Communications, call takers have been delayed in answering 911 and other non-emergency calls. During most of these calls, Khayet is argumentative and confrontational. During approximately 50% of his calls, Khayet raises his voice and becomes angry. He begins to yell at call takers about 15% of the time. Call takers have been distracted and harassed to the point that they have had difficulty concentrating or focusing on responding to other, legitimate 911 calls.

17. When Khayet calls Communications frequently in a short period of time, call takers can be preoccupied with concerns about whether the next call is from Khayet, and that they might have to listen to, or try to understand and respond to, Mr. Khayet's argumentative or confusing calls.

C. Effect of Khayet's Calls – Court Security

18. The main telephone phone line for the Sheriff's Court Security Division must be answered. It is manned by only one officer, who is responsible for all incoming calls from the public as well as internal calls from employees of the District Attorney and Courthouse staff. That same officer is responsible for security monitoring, as well as managing deputies' radio traffic within the Courthouse.

19. Occasionally, this officer has not been able to answer calls because of Khayet's incessant phone calls to Court security.

20. Occasionally, this officer has had to have radio traffic repeated or has been delayed

{00372481}

in responding to the radio because of Khayet's incessant phone calls.

21. Occasionally, this officer is unable to, or unavailable for security monitoring duties because of Khayet's incessant phone calls.

22. The missed calls and missed radio traffic, and the distraction from security monitoring duties can cause a serious security threat with regard to: (i) immediately removing arrestees from the Courthouse; (ii) transporting criminal defendants within the Courthouse; or (iii) other security incidents which may arise within the Courthouse.

D. Khayet's Emails from September 1, 2022 through December 31, 2022

23. From September 1, 2022 through December 31, 2022, Mr. Khayet sent 381 emails—which includes carbon copies—to 21 deputy sheriffs and employees. Exhibit C, *Affidavit of Sgt. Valdez*; Exh. C-1, *Email Report*.

24. This does not include 207 additional emails to the Sheriff during this same time frame. Exh. C, *Valdez Affidavit*; Exh. C-1, *Email Report*. This does not include emails sent to approximately 601 other deputy sheriffs and employees in the Sheriff's Office.

25. In none of these emails has Mr. Khayet identified a crime or other subjects beyond:
- a. his contacts or attempts to have deputies or the City of Overland Park's police department investigate potential crimes by Nebraska Data Centers, LLC or related persons;
 - b. complaints about deputies, the City's police department, or other agencies failing to investigate potential crimes by Nebraska Data Centers, LLC or related persons;
 - c. complaints to other deputies or employees not addressing these complaints;
 - d. complaints, arguments or questions about how to comply with a temporary

{00372481}

restraining order entered in *City of Overland Park v. Khayet*, Jo. Co. D. Ct. 22CV03824 or an administrative order, Johnson County District Court Administrative Order 22-03.

- e. complaints, arguments or questions about how to comply with an October 28, 2022 demand letter from counsel for the Sheriff, directing him to limit his contact with Sheriff's deputies and employees.

E. Effect of Khayet's Emails

26. Khayet's emails are vague and confusing, riddled with unexplained statutory references and footnotes. They are usually difficult and time consuming to decipher whether a law enforcement response is necessary or appropriate.

27. With his 503 telephone calls (Section A, above), Khayet's 381 e-mail contacts with the 21 officers and employees are harassing and distracting, and materially interfere with these persons' ability to effectively engage in, and timely complete, their duties and obligations.

III. Injunctive Relief

28. The Sheriff incorporates the allegations contained in Paragraphs 1 through 26 above, as if specifically set forth herein.

29. Counsel for the Sheriff sent a letter to Mr. Khayet on October 28, 2022, via U.S. mail, addressing Khayet's contacts and instructing him to limit his contact with the Sheriff, as follows:

- 1) If it's an emergency, please call 911.
- 2) If not, you may submit a detailed report to Sgt. Garcia by US certified mail.
- 3) If not, you may call in and request an officer come meet you.
- 4) If not, you may come in and request to speak to Sgt. Garcia.
- 5) If not, you may come in and drop off a detailed, written report to Sgt. Garcia. If he is not there, you may leave it for him.

If you need to request an open records request pursuant to KORA, you may do so

{00372481}

in writing and submit the request to SHR-RecordRequests@jocogov.org or by mail to Johnson County Sheriff's Office c/o Central Records Division, 27747 W 159th Street, New Century, KS 66031.

(Exh. D, *Khayet Letter October 28, 2022*). Aside from these options, and excepting records requests, Khayet was instructed not to contact Sheriff's deputies, staff or other personnel.

30. Khayet has failed to comply with the letter or cease contacts as instructed. From and after November 1, 2022, (3 days after the letter was mailed to him) through December 31, 2022, Khayet continued to call and email the Sheriff's deputies and staff 598 times, as follows:

- a. 157 calls to Communications (emergency and non-emergency numbers);
- b. 133 calls to Court Security;
- c. 308 emails to the 21 officers.

Exhs. A, *Castle Affidavit*; Exh. A-1, *Castle Report – Communications*; Exhibit B, *Affidavit of Sgt. Noftsgger*; Exh. B-2, *Noftsgger Report 10/25/22-11/30/22*; Exh. B-3, *Noftsgger Report 12/1/22 – 12/31/22*; Exhibit C, *Affidavit of Sgt. Valdez*; Exh. C-1, *Email Report*.

31. Based upon the above and foregoing information regarding Khayet's calls and e-mails, the Sheriff has a substantial likelihood of prevailing on the merits on his claim for injunctive relief against Mr. Khayet.

32. There is a reasonable probability that the Sheriff will suffer irreparable injury without an injunction – namely, the timely or proper answering of some 911 or other non-emergency calls by Communications deputies, a delay in responding to some radio traffic by deputies or municipal officers in the field. The irreparable injury also includes a delay or failure to answer Court Security calls from the public or employees and staff in the Courthouse, failure to monitor security in the Courthouse and a failure to respond to radio traffic in the Courthouse.

33. The irreparable injury also includes other deputies and employees being harassed
{00372481}

or distracted to the point that they cannot effectively engage in, or timely complete, their duties and obligations.

34. An action at law simply will not provide an adequate remedy for Mr. Khayet's conduct – the injury incurred by the Sheriff is ongoing and is not calculable in monetary damages.

35. The Sheriff therefore requests a restraining order and further injunctive relief in the form set forth in Exhibit E.

36. The threat of continuing injury to the Sheriff outweighs whatever harm the proposed injunction poses to Mr. Khayet. There is no harm to Mr. Khayet. The relief sought does not violate Mr. Khayet's rights. It does not prohibit him from calling 911 in case of a crime in progress or other emergency impacting life or property. He is free to report non-emergent crimes – even whatever crime he believes has been committed by Nebraska Data Centers, LLC or persons related to Nebraska Data Centers and his interactions it in writing and submit them via U.S. mail. Like all other citizens, he is free to otherwise contact the Sheriff about law enforcement services such as vehicle registration enforcement or foreclosure sales. He is free to submit open records requests like all other persons.

37. His only restriction is a prohibition from calling or e-mailing Sheriff's deputies and employees representatives about:

- a. Attempts to have deputies or the City of Overland Park's police department investigate potential crimes by Nebraska Data Centers, LLC or related persons;
- b. Complaints about deputies, the City's police department, or other agencies failing to investigate potential crimes by Nebraska Data Centers, LLC or related persons;
- c. Complaints about other deputies or employees not addressing these complaints;

{00372481}

- d. Complaints, arguments, or questions about how to comply with an injunction entered in *City of Overland Park v. Khayet*, Jo. Co. D. Ct. 22CV03824 or an administrative order, Johnson County District Court Administrative Order 22-03 or other court orders or restrictions; or
- e. complaints or questions about how to comply with an October 28, 2022, demand letter from counsel for the Sheriff, directing him to limit his contact with Sheriff's deputies and employees.

This restriction includes calls to the Olathe Police Department or other police departments and using an automated system to transfer himself to Sheriff's deputies or employees.

38. The proposed injunctive relief will not be against public interest. The public interest in this case is a timely and effective response by Sheriff's deputies to citizen 911 calls and non-emergency calls. The public interest in this case is also having Court Security officers free to timely respond to calls, security monitoring and radio traffic. The public interest in having the Sheriff's deputies and employees being free from harassment and able to timely complete their duties and obligations. The public interest is in preventing one individual from harassing and abusing the Sheriff's deputies and employees.

WHEREFORE, Calvin Hayden, Sheriff of Johnson County, Kansas, requests the entry of a temporary restraining order, temporary injunction and permanent injunction as more fully set forth and described in Exhibit E, attached hereto. The Sheriff further requests an order against Mr. Khayet for his costs of this action, including a reasonable attorney's fee and for such other and further relief as the Court deems just and equitable.

ATTORNEY'S CERTIFICATION

Counsel hereby certifies that he has not given notice of the hearing for the proposed temporary restraining order to Defendant. Based on Defendant's prior, consistent conduct, counsel is confident that Defendant will evade and avoid service of process, then attempt to avoid the Court's orders based on the lack of service. Defendant will also bombard the Court with

{00372481}

meritless filings and emails in an attempt to avoid, forestall and delay any such hearing. In the meantime, Defendant will then increase the number of his calls and emails to Sheriff's deputies and employees. This conduct would only compound the substantial and material interference with responses to police emergency and non-emergency telephone lines, Court Security duties and the ability of other deputies and employees to timely complete their duties and obligations.

AFFIDAVIT OF MICHAEL NOFTSGER

STATE OF KANSAS)
) ss:
COUNTY OF JOHNSON)

I, Michael Noftsger, of lawful age and having been duly sworn upon my oath, state as follows:

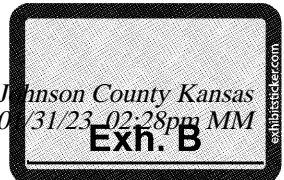

1. I am a sergeant in the Court Security Division of the Johnson County Sheriff’s Office. As part of my duties and responsibilities, I have knowledge of, and am familiar with, the Sheriff’s telephone systems, including the Court Security Phone systems.

2. As Sergeant in the Court Security Division, I am aware the Mr. Leonid Khayet has called the Sheriff’s Court Security Division and other numbers hundreds of times since September 1, 2022. As a result, I have requested listings of Mr. Khayet’s calls from his (913) 660-5766 phone number.

3. Attached hereto, are true and accurate listings of phone calls made by Leonid Khayet from his (913) 660-5766 to Johnson County government phone numbers from September 1 to December 31, 2022.

- a. Exhibit B-1 indicates calls from September 1 through October 24, 2022 to:
 - i. the main number for the Sheriff’s Court Security Division: (913) 715-5280;
 - ii. a main lobby number to the Sheriff’s Central Booking facility: (913) 715-5141; and
 - iii. the main number for the Sheriff’s Warrants Division (913) 715-5212.
- b. Exhibit B-2 lists calls from October 25 through November 30, 2022 to these same numbers.
- c. Exhibit B-3 lists calls from December 1, 2022 through December 31, 2022 to these same numbers.

4. In total, Mr. Khayet placed 138 calls to these 3 numbers. The 138 calls were only to these 3 numbers and do not include specific officers within those divisions or other divisions such as Records, Investigations or Training.

5. Incoming telephone call data to Johnson County Government phone system is automatically recorded and maintained electronically in the ordinary course of business for the Johnson County government. The data is recorded electronically at the time the calls are connected and terminated, and cannot be altered or manipulated on the server housing the call data.

6. I have no reason to believe that these documents have been altered or are otherwise inaccurate or false in any way.

7. The main telephone phone line for the Sheriff's Court Security Division must be answered. It is manned by only one officer, who is responsible for all incoming calls from the public as well as internal calls from employees of the District Attorney and Courthouse staff. That same officer is also responsible for security monitoring, as well as managing all deputies' radio traffic within the Courthouse.

8. Occasionally this officer has not been able to answer calls because of Khayet's incessant phone calls to Court security.

9. Occasionally, this officer has had to have radio traffic repeated or has been delayed in responding to the radio because of Khayet's incessant phone calls.

10. Occasionally, this officer is unable to, or unavailable for security monitoring duties because of Khayet's incessant phone calls.

11. The missed calls and missed radio traffic, and the distraction from security monitoring duties can cause a serious security threat with regard to: (i) immediately removing arrestees from the Courthouse; (ii) transporting criminal defendants within the Courthouse; or (iii) other security incidents which may arise within the Courthouse.

12. I declare under penalty of perjury that the foregoing is true and correct.

FURTHER, AFFIANT SAYETH NAUGHT.

Sgt. Michael Noftsgger

AFFIDAVIT OF JESSE VALDEZ

STATE OF KANSAS)
) ss:
COUNTY OF JOHNSON)

I, Jesse Valdez, of lawful age and having first been duly sworn, upon my oath, state as follows:

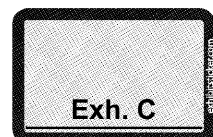

1. I am a Sergeant in the Sheriff’s Professional Standards Unit. As part of my duties and responsibilities, I have knowledge of, and am familiar with, the email platform of the Johnson County Sheriff.

2. As Sergeant in the Professional Standards Unit, I am aware that Mr. Leonid Khayet has emailed the Johnson County Sheriff’s deputies and employees hundreds of times since September 1, 2022. As a result, I have requested a report of Mr. Khayet’s emails sent from his leokhayet@gmail.com address to the accounts of 21 deputies or employees from September 1, 2022 through December 31, 2022.

3. Attached hereto is Exhibit C-1, a true and accurate report listing emails sent by Leonid Khayet from his leokhayet@gmail.com address to these 21 persons. It lists 381 emails—which includes carbon copies—sent during this time frame to these Sheriff’s deputies and employees. Khayet also sent an additional 207 emails during this timeframe to Sheriff Hayden.

4. I know these emails are coming from Leonid Khayet based on his consistent and highly distinctive manner of writing. Khayet’s emails are vague and confusing and filled with statutory citations and footnotes. They are usually difficult and time consuming to decipher whether a law enforcement response is necessary or appropriate.

5. Khayet’s 381 e-mails to the 21 deputies and employees are harassing and distracting, and they have materially interfered with their ability to effectively engage in, and timely complete, their duties and obligations.

6. Incoming emails to Johnson County Sheriff's personnel and the data used to generate the attached report are maintained and stored digitally in the ordinary course of business of the Johnson County government. The data is automatically recorded and stored at the time the emails are received, and cannot be altered or manipulated on the server housing the emails.

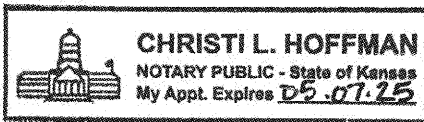

7. I have no reason to believe that the report has been altered or is otherwise inaccurate or false in any way.

8. I declare under penalty of perjury that the foregoing is true and correct.

FURTHER, AFFIANT SAYETH NAUGHT.

Sgt. Jesse Valdez
Professional Standards Unit
Johnson County Sheriff's Office

Subscribed and sworn before the undersigned on JANUARY 27, 2023.

Re: Your Contact with Representatives of Johnson County, Kansas Sheriff's Office

Dear Mr. Khayet:

Please be advised this office represents the Sheriff of Johnson County, Kansas in various matters, including your recent calls and emails.

You have called numerous deputies and employees at the Sheriff's Office ("JCSO") 163 times between September 1, 2022 and October 23, 2022. You have also inundated numerous deputies and employees with hundreds of emails during this same time. This does not include hundreds of calls and emails you have made earlier this year and last year. Almost all of these relate to Nebraska Data Centers LLC or related persons, the JCSO's investigation of your complaints about them or the City of Overland Park, Kansas Police Department. This conduct is malicious and abusive. It is to the point that you are materially interfering with deputies and employees' ability to respond to calls or complete their work. You have been instructed numerous times to stop contacting deputies and employees unless you are reporting a crime or requesting records pursuant to the Kansas Open Records Act ("KORA").

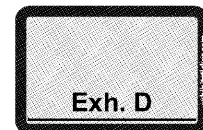

To be clear, if you need to report a crime, you may do so as follows:

- 1) If it's an emergency, please call 911.
- 2) If not, you may submit a detailed report to Sgt. Garcia by US certified mail.
- 3) If not, you may call in and request an officer come meet you.
- 4) If not, you may come in and request to speak to Sgt. Garcia.
- 5) If not, you may come in and drop off a detailed, written report to Sgt. Garcia. If he is not there, you may leave it for him.

If you need to request an open records request pursuant to KORA, you may do so in writing and submit the request to SHR-RecordRequests@jocogov.org or by mail to Johnson County Sheriff's Office c/o Central Records Division, 27747 W 159th Street, New Century, KS 66031.

Aside from (1) reporting a crime or (2) submitting an open records request, do not contact JCSO deputies, staff or other personnel. If you continue, the Sheriff will be forced to take legal action against you.

Very truly yours,

Alex S. Gilmore

Case No. 23CV _____

Div. No. _____

JOURNAL ENTRY GRANTING TEMPORARY RESTRAINING ORDER

NOW on this _____ day of January, 2023, the above-captioned matter comes before the Court for consideration of the Sheriff’s Verified Petition for Injunctive. The Sheriff appears through counsels Kirk T. Ridgway. Defendant Khayet appears *pro se*. The Court, upon reviewing the pleadings and exhibits filed in this matter, hearing the statements and arguments of the parties, and being otherwise duly advised in the premises, finds and concludes as follows:

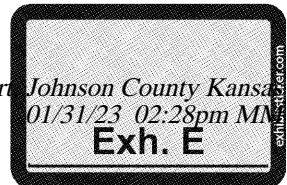

1. The Court has subject matter jurisdiction and venue is properly before this Court.
2. Based upon the verified information presented, it appears Defendant Leonid Khayet has continued to engage in an incessant pattern and practice of making hundreds of harassing telephone calls to various deputies and employees in various divisions of the Sheriff’s Office.
3. The incessant contact is found to be harassing as it repeatedly stems from the same subjects and purpose which have already been addressed: namely Defendant’s (a) attempts to have deputies or the City of Overland Park’s police department investigate potential crimes by Nebraska Data Centers, LLC or related persons; (b) complaints about deputies, the city’s police department, or other agencies failing to investigate potential crimes by Nebraska Data Centers, LLC or related persons; (c) complaints to other deputies or employees not addressing these complaints; (d) complaints, arguments or questions about how to comply with a temporary restraining order entered in City of Overland Park v. Khayet, Jo. Co. D. Ct.

Clerk of the District Court Johnson County Kansas

01/31/23 02:28pm ML

Exh. E

22CV03824 or an administrative order, Johnson County District Court Administrative Order 22-03; or (e) complaints, arguments or questions about how to comply with an October 28, 2022 demand letter from the Sheriff's counsel directing Defendant to limit his contact with Sheriff's deputies and employees.

4. Defendant has failed to limit his contact as instructed. His continued incessant contact materially interferes with normal police agency work and serves no legitimate purpose.

5. Defendant's calls to the Sheriff's Communication Division's non-emergency phone number are required to be answered by call takers, who are also simultaneously required to answer incoming 911 calls and assist with law enforcement radio traffic. Defendant's calls to the Sheriff's Court Security phone number must also be answered by a deputy, who is simultaneously responsible for security monitoring and responding to radio traffic.

6. Since September 1, 2022 through December 31, 2022, Defendant called the Sheriff's Office at least 503 times. These 503 calls were only to five numbers in four Divisions, and does not include other calls to specific officers or calls to other divisions such as Records, Investigations or Training. During that same time frame, 21 deputies and employees have received 381 emails from Defendant.

7. In none of these contacts did Defendant identify a crime or other situation requiring an emergency response by deputies, fire or medical personnel. In general, the contacts did not address other subjects beyond those identified above. There does not appear to be a legitimate need for the incessantly repeated contacts Defendant has been making to the Sheriff's deputies and employees.

8. Because of Mr. Khayet's incessant contacts, call takers have been: (a) delayed in answering or responding to 911 or non-emergency calls, or providing support for radio traffic to officers in the field; or (b) distracted and harassed to the point that they have difficulty concentrating or focusing on these duties.

9. Because of Mr. Khayet's incessant contacts, Court Security officers have been distracted or delayed, or prevented from answering other calls to Court Security by the public or courthouse employees. They have been distracted and delayed in security monitoring duties and managing deputies' radio traffic in the Courthouse.

10. Because of Defendant's incessant emails, other deputies and employees have been materially distracted from and delayed in the timely completion of their duties and responsibilities.

11. The Sheriff has a substantial likelihood of prevailing on the merits of his claim for injunctive relief against Mr. Khayet.

12. There is a reasonable probability that the Sheriff will suffer irreparable injury without a temporary restraining order limiting Defendant's contact. Namely, Communications deputies will be: (a) delayed in answering or responding to 911 or non-emergency calls, or providing support for radio traffic to officers in the field; or (b) distracted and harassed to the point that they have difficulty concentrating or focusing on these duties. In addition, Court Security deputies will be: (a) distracted or delayed, or prevented from answering other calls to Court Security by the public or courthouse employees; and (b) distracted and delayed in security monitoring duties and managing deputies' radio traffic in the Courthouse. Other deputies and employees will be materially distracted from, and delayed in, the timely completion of their duties and responsibilities.

13. This injury is irreparable as there is no action at law to provide an adequate remedy or otherwise compensate the Sheriff for the ongoing or future harm.

14. The threat of continuing injury to the Sheriff outweighs whatever harm the proposed temporary restraining order poses to Mr. Khayet.

15. Public policy does not weigh against the issuance of a temporary restraining order limiting Mr. Khayet's contacts with the Sheriff's deputies and employees.

IT IS THEREFORE ORDERED, ADJUGED AND DECREED that Mr. Leonid Khayet may contact: (i) the Sheriff's 911 emergency line; or (ii) a deputy in the field to make a valid and legitimate report of a crime—either in process or that has recently occurred, to report another emergency actually observed and needing police involvement, or to make an incident report as may be required by law.

What constitutes an emergency is determined on a case-by-case basis and the Court cannot

precisely define what is, or is not, an emergency for every possible situation. However, in general terms, for purposes of interpreting the word for purposes of this injunction, an emergency is when a person has a medical condition requiring immediate treatment or a serious, unexpected and often dangerous situation requiring immediate action related to person or property.

Mr. Khayet may also contact the Sheriff's Office on a non-emergency basis to report a crime or seek other law enforcement services by placing his communication in writing and delivering it by U.S. Mail to Sergeant Ryan Garcia, 27745 West 150th Street, New Century, Kansas 66031.

Aside from these situations, Mr. Leonid Khayet is hereby permanently prevented and enjoined from calling or emailing Sheriff's deputies or employees regarding:

- A. attempts to have deputies or the City of Overland Park's police department investigate potential crimes by Nebraska Data Centers, LLC or related persons¹;
- B. complaints about deputies, the City's police department, or other agencies failing to investigate potential crimes by Nebraska Data Centers, LLC or related persons;
- C. complaints about other deputies or employees not addressing these complaints;
- D. complaints, arguments or questions about how to comply with a temporary restraining order entered in *City of Overland Park v. Khayet*, Jo. Co. D. Ct. 22CV03824 or Johnson County District Court Administrative Order 22-03;
- E. complaints, arguments or questions about how to comply with an October 28, 2022, demand letter from counsel for the Sheriff, directing him to limit his contact with Sheriff's deputies and employees.

This restriction includes calls to the Olathe Police Department or other police departments

¹ See *Nebraska Data Centers v. Khayet*, et al., 18CV369-LSC-CRZ (D. Neb. 2017); *Khayet v. Cushing*, 17CV2624-CM-TJJ (D. Kan. 2017); *Khayet v. Appel*, Jo. Co. D. Ct. No. 17SC429; *Khayet v. Cushing, et al.*, 18CV330-LSC-CRZ (D. Neb. 2018).

and using an automated system to transfer himself to Sheriff's deputies or employees.

This order does not prevent Mr. Khayet from contacting the Sheriff. This order does not prevent Mr. Khayet from requesting open records from the Sheriff in accordance with his established procedures.

IT IS SO ORDERED.
