

DEFENDANT'S ACKNOWLEDGEMENT OF RIGHTS AND ENTRY OF PLEA

3. I understand from discussions with my attorney, and I have been advised by the court, that the following are the range of sentences and fines which may be imposed against me by the court if I choose to enter a plea of **guilty** to the criminal charges pending against me.
 - Count 1: a definite term of confinement in the county jail which shall be fixed by the court and shall not exceed six months, a fine not exceeding \$1000, or both fine and confinement.
 - Count 2: a definite term of confinement in the county jail which shall be fixed by the court and shall not exceed six months, a fine not exceeding \$1000, or both fine and confinement.
 - Count 3: a definite term of confinement in the county jail which shall be fixed by the court and shall not exceed six months, a fine not exceeding \$1000, or both fine and confinement.

4. I understand that if I am not now a United States citizen, a conviction of a criminal offense may result in deportation from the United States, incarceration by immigration officials for an indefinite period until I am deported, exclusion from admission to the United States and/or denial of naturalization and citizenship in the United States.

6. I understand from discussion with my attorney, and I have been advised by the court, that regardless of the plea agreement between myself, through my attorney, and the Attorney General's Office, this court is not bound to agree to, nor to accept, the terms of the plea agreement. I further understand that if I enter a plea of **guilty**, this court may impose against me any or all of the maximum penalties and the maximum fines in combination; will order the payment of court costs against me; may require that I pay full restitution and reparations for all personal injury, property loss or damage; may impose administrative costs of a probation program; will require me to reimburse the state for my reasonable attorney fees, if I am represented by appointed counsel; and may take whatever other action the court deems appropriate and which is permitted by law, to ensure the public safety.

7. I understand from discussions with my attorney, and have been advised by the court, that by entering a plea of **guilty**, that I am surrendering and waiving the following legal rights which I would be able to exercise if I chose to go to trial:

I have a right to a trial where my guilt or innocence on all of the criminal charges against me would be determined by a jury, or if I choose to waive a jury, by a judge.

At a trial, I would have the right to confront the witnesses against me and have them cross-examined by my attorney.

At a trial I would have the right to compel the attendance of witnesses who may have information favorable to me and to call these witnesses to testify on my behalf.

At a trial I would have the right to compel documentary and physical evidence favorable to me.

At a trial, it would be the burden of the State of Kansas to prove, beyond a reasonable doubt, each element of the charge(s) against me before I could be found guilty.

At a trial, the judge and the jury would presume that I am innocent unless and until the State of Kansas proved otherwise, beyond a reasonable doubt.

At a trial, I alone would have the final decision, after consulting with my attorney, whether I would testify on my own behalf, and I understand that I would not be required to testify or to present any evidence to prove my innocence. If I enter a plea of guilty, I waive the right to remain silent, and the court may require me to tell the court the facts known to me which would show that I am guilty.

If I were to be convicted of any offenses in this court, I would have the right to ask the court for a new trial based on any legal errors which may have denied me my right to a fair trial or which may have otherwise prejudiced me in my defense.

If I were to be convicted of any offenses in this court, and if my motion for a new trial were denied, I would have the right to appeal my conviction(s) and sentence(s) to a Kansas appellate court where I would be entitled to have such court review the transcripts and record of my trial for any prejudicial error.

During any such appeal, I would be entitled to the services of a competent appellate attorney and to the transcripts of my trial or to the proceedings

which might be necessary to my appeal. If I could not afford an attorney or transcripts, they would be provided to me by the court.

If I go to trial, I retain the right to appeal from any adverse ruling or order made against me by the court or jury, including the legal sufficiency of the evidence presented against me to prove my guilt, any legal defects in the criminal proceedings, the sentences or other penalties imposed, and the denial of probation.

8. After fully discussing my potential defenses to the charges in this case, the legal options available to me in these proceedings, and the above-mentioned matters with my attorney, I advise this court that I understand it is my decision, alone, whether to accept or reject the plea agreement and whether to enter a plea of **guilty** to the charges herein. My decision to accept the plea agreement and change my plea is completely voluntary without anyone having threatened me or promised me anything of benefit, and is without duress or coercion other than that which the plea agreement provides.
9. I understand that if I violate any terms of my bond or fail to appear at any scheduled hearing in this case this will constitute a breach of the plea agreement, and the State will be relieved of any obligations contained in this agreement. I understand such a breach will allow the State to request the court impose any legally permissible sentence in this case regardless of any commitments contained in this plea agreement.
10. As a condition of this negotiated resolution, and as recognized by *State v. Patton*, 287 Kan. 200 (2008), I agree to waive my right to appeal or collaterally attack, under Kansas state statutes, the prosecution, convictions, sentences, or terms set forth in this plea agreement. In addition, I waive my right to pursue habeas corpus claims under the Federal Constitution, statutes, or case law interpreting the same. Further, I agree to waive my right to pursue any claim that the above and foregoing negotiated plea agreement violates the bar under the Kansas and Federal Constitutions to double jeopardy, statutes, or case law interpreting the same.
12. I have read this "Defendant's Acknowledgment of Rights and Entry of Plea," or have had it read to me, and I fully understand its contents; I fully and completely understand the consequences of my plea(s) pursuant to the plea agreement, and I accept that the plea agreement in consideration of what I believe is in my best welfare and in my own best interests.
13. I have not been taking any drugs or medication, during the past 48 hours, except _____. Any such drugs or medications do not impair my mental faculties or judgment. I remain in full control of my mental faculties or

judgment. After fully discussing my potential defenses to the charges in this case, the legal options available to me in these proceedings, and the above-mentioned matters with my attorney, it is my decision, alone, whether to accept this plea agreement. My decision to accept the plea agreement and change my plea is completely voluntary without anyone having threatened me or promised me anything of benefit, and is without duress or coercion other than that which the plea agreement provides.

Signed this 20th day of April, 2026.
