Plaintiffs

SN-2025-CV-298

KANSAS STATE BOARD OF NURSING, et al.,

Defendants

ORDER GRANTING TEMPORARY STAY

This matter is before the Court on Defendants' motion to stay the instant litigation based on current "institutional turmoil" affecting the Kansas State Board of Nursing. After review of the briefs submitted by the parties, the Court grants the motion to stay as follows:

1. This litigation is stayed pending further order of the Court, including deadlines previously set in the case management order and any deadlines for responding to outstanding discovery.

2. The parties are directed to contact Division 3 to set this matter for a status conference to be held after July 1, 2026. At the status conference, the parties should be prepared to discuss whether the stay should be extended beyond that point, and if extended, for what period of time.

This order is effective on the date and time shown on the electronic file stamp.

IT IS SO ORDERED.
